Sen. Van Woerkom encourages people to learn about MDOT's disadvantaged-business program

Who: Officials from the Michigan Department of Transportation and a staff member from Sen. Gerald Van Woerkom's office.

What: Educational session about how women, minority and other disadvantaged business owners can seek MDOT contracts.

When: 2 p.m., Thursday, Oct. 27.

Where: Muskegon Area Transit System's conference center, 2624 6th St., Muskegon Heights.

Briefing: The MDOT Disadvantaged Business Enterprise Program was developed to assist women and minority business owners in doing business with MDOT. The program will discuss getting certified as a disadvantaged business, support service, related conferences and related topics.
